Subject: Letter of Attestation

To whom it may concern,

This letter certifies that IFS Company, deployed its Mobile Workforce Management (MWFM) solution to China Electric Power Equipment and Technology Co.(CET) in support of the smart meter exchange project for the Saudi Electricity Company. The project included initiation, design, construction, testing, and go-live. The IFS MWFM platform, deployed as a SaaS solution, support more than 2800 field technicians and 150 office users every day using Android-based handheld devices. CET has completed close to three (3) million work orders, ranging from site inspections & surveys to meter services, through the platform to date. IFS/Clevest deployed MWFM version 7.0 interfaced to an SAP CIS system to obtain the work order information.
